Limited Review Report

To
The Monitoring Agency,
Ramsarup Industries Limited
Kolkata

1. We have reviewed the accompanying statement of unaudited financial results of Ramsarup Industries Limited ('the Company') for the quarter and nine months ended 31st December 2021 ('the Statement'), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements Regulations, 2015) ('SEBI Regulations') as modified by SEBI Circular No. CIR/CFD/FAC/62/2016 dated 05th July 2016.
2. The preparation of the Statement in accordance with the recognition and measurement principals laid down in Indian Accounting Standards (Ind AS) 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 05th July 2016, including the creation and maintenance of all accounting and other records supporting its contents is the responsibility of the Company's Management and have been reviewed by the erstwhile Board of Directors along as well as the present Company Personnel and provided to the Resolution Professional. The Company's Management had been responsible for the designing, implementing and maintaining internal control relevant to the preparation and presentation of the Statement, and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances and has been approved by the present company personnel. Our responsibility is to issue a report on these financial statements based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review, to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. We draw attention to the following points:
 - i) *The Company has incurred loss of Rs. 23.71 crores for the three months ended on 31st December 2021 and negative net worth amounting to Rs. 4856.91 crores as on 31st December 2021. Thus, it indicates a material uncertainty exists that may cast significant doubt on the company's ability to continue as a Going Concern. However, the Corporate Insolvency Resolution Process (CIRP) of the company commenced on January 08, 2022.*

vide order of the Hon'ble National Company Law Tribunal (NCLT), Kolkata Bench and Mr. Nilesh Sharma was appointed as the interim resolution professional of the company. Thereafter, Mr. Kshitiz Chhawchharia vide Hon'ble NCLT's order dated 02.05.2018 was appointed as the Resolution Professional (RP). The resolution plan for the revival of the Company submitted by the consortium of SS Naturals Private Limited and Shyam SEL Limited (referred to as the Resolution Applicant or RA), was approved by the Committee of Creditors of the Company of 06th March 2019. Thereafter, the RP filed an application with the Hon'ble NCLT u/s 30(6) and section 31 of the code for approval of the resolution plan. Subsequently, on 04th September 2019, the Hon'ble NCLT approved the Resolution Plan (approved Resolution Plan) submitted for the revival of the company, binding the company, its employees, members, creditors, coordinators and other stakeholders involved in the Resolution Plan. Upon approval of the Resolution Plan by the Hon'ble NCLT, the corporate insolvency Resolution Process of the Company has ended and accordingly RP has demitted office. Thereafter, a Monitoring Agency (MA) has been constituted comprising of three lenders, two representatives of successful RA and erstwhile RP, for managing the operations of the Company and monitoring the implementation of the Approved Resolution Plan by the Resolution Applicant for revival of the Company. Mr. Kshitiz Chhawchharia, the erstwhile RP, was appointed as the Chairman of the MA (Chairman) in the 3rd Meeting of the MA held on 25th September 2019.

Further, appeals were filed before the Hon'ble National Company Law Appellate Tribunal (NCLAT) by various stakeholders against the Hon'ble NCLT's order dated September 04, 2019 for approval of Resolution Plan. Since the matter was Sub-judice, the Resolution Applicant, being a member of the MA, had mentioned that all matters relating to the Company be taken up for discussion after the disposal of the appeal by Hon'ble NCLAT. Subsequently on March 04, 2021 the Hon'ble NCLAT pass the order dismissing all the aforesaid appeals and directed the Monitoring Agency to immediately start taking steps for implementation of the Resolution Plan.

Thereafter, an appeal was filed in the Hon'ble Supreme Court by the Resolution Applicant and other stakeholders. The Appeal of the Resolution Applicant and other stakeholders were dismissed by the Hon'ble court vide order dated 04th May 2021 and 2nd July 2021 respectively.

Post the order of Hon'ble Supreme Court, the successful RA has taken the necessary steps to implement the approved resolution plan.

The RA has already funded the entire resolution proceeds in line with the approved resolution plan.

As per the approved resolution plan it is the RA's liability to meet the expenses incurred for the day-to-day activities of the company after the completion of the CIRP. The RA has been complying with the same by continuously funding the accounts of the Company with the operational expenses since May, 2021 (post the order of Hon'ble Supreme Court).

The RA has also paid towards the renewal of insurance of the assets of the Company. Thus, on the basis of the above-mentioned points the Company is confident of revival under the provisions of Insolvency and Bankruptcy Code, 2016 (IBC) and Approved Resolution Plan, as such, the accounts have been prepared on a Going Concern basis.

- ii) As per section 134 of the Companies Act, 2013, the financial statements of the Company are required to be authenticated by the Chairperson of the Board of Directors, where authorized by the Board or at least two directors, of which one shall be managing director or the CEO (being a director), the CFO and Company Secretary where they are appointed. The Company has not appointed CFO and Company Secretary. These financial statements of the Company for the quarter ended 30th June 2021 pertains to period during CIRP. Pursuant to the Hon'ble NCLT order for commencement of the CIRP and in line with the provisions of the Code, the powers of the Board of Directors stand suspended and be exercised by IRP / RP. These financial statements have been signed by the Authorized Representative of the Monitoring Agency (duly authorized by the MA). These financial statements have been adopted by the MA while exercising the powers of the Board of Directors of the Company, in good faith, solely for the purpose of compliance and discharging their duties which has been conferred upon them as per the terms of the approved resolution plan.
- iii) Manufacturing activities at its unit Ramsarup Utpadak at Shyamnagar have been suspended since August 2012 and physical possession has already been taken by WBIDC as term lender. Thereafter, post commencement of CIRP i.e., January 8, 2018 the Resolution professional had taken possession of the unit, post which the resolution plan was approved by NCLT vide order dated September 04, 2019. The same is currently pending implementation.
- iv) The Company has four manufacturing units at Kalyani, Shyamnagar, Kharagpur, and Durgapur, all of which are under the suspension of work for the last few years. Detail Physical Verifications of fixed assets and inventories could not be conducted by the present company personnel. We have also not been able to obtain sufficient appropriate audit evidences (SAAE's) in respect of existence and valuation of fixed assets and inventories lying at these factories.
- v)
- (a) Since manufacturing activities of the company have been suspended at all of its manufacturing units. There are indications which suggest impairment in the value of Plant & Machinery and other Fixed Assets of the company which has not been done.
- (b) Windmill at Dhule, financed by IREDA. In view of possession being taken under SARFAESI Act, 2002, the Lender has auctioned the Windmill in favour of M/s Suzlon Global Services Limited and Sales Certificate has been issued. We are given to understand that though Sales Certificate has been issued by IREDA but legal transfer has not been done. In the meanwhile, the company has filed an SA & IA challenging the above auction. As on the reporting date, matter was under dispute under DRT, Aurangabad during the reporting period wherein the tribunal passed an order in favour of the Company. IREDA has challenged the mentioned order in DRAT, Mumbai wherein the Tribunal directed the parties to maintain 'Status Quo'.

- vi) Borrowings from banks and financial institutions have been classified as Non-Performing Assets (NPA) by the lenders. Neither any balance confirmation with respect to the outstanding loans could be obtained nor has any bank statement been provided by them. In absence of the same, we are unable to confirm the accuracy of the balances appearing in the books of accounts. As the borrowings have been considered NPA, no interest has been charged by the banks since then. As per the provisions of IBC, 2016, the lenders have claimed the outstanding amount with respect to the loan disbursed by them. The claimed amount is inclusive of interest till the date of CIRP commencement i.e., 08th January 2018, which has been accounted for. Interest or any other charges has not been accrued in the books of accounts from the date of commencement of CIR Process, i.e., 08th January, 2018 onwards, on account of moratorium u/s 14 of IBC.
- vii) The Company has made Investment in the Equity of Moira Madhujore Coal Ltd. to whom the Coal block at Moira Madhujore was allotted jointly with their beneficiaries. Due to various reasons, the Coal Mines are deallocated in future and the rights in Coal Block and investment thereon is likely to be affected. Hence, Hence, value of the investment has been considered at a nominal amount of Re 1/- share.
5. Based on our review conducted as above, subject to paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards specified in Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Circular No. CIR/CFD/FAC/62/2016 dated 05th July 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.
